Late Jogendranath Bhaumik & Swarnamoyee Bhaumik

Late Dr. Anindya Kisor Bhaumik (1949-2025)
Founder and former President of Swarnamoyee Jogendranath Mahavidyalaya

INTRODUCTION

Swarnamoyee Jogendranath Mahavidyalaya, a Govt. Aided General Degree College was established on 16th September, 2014 with the approval of the Higher Education Department, Govt. of West Bengal. The institution began its journey on 30th January 2015 after receiving affiliation from Vidyasagar University. Since then, this newly established college is proudly imparting education in this rural locality where the ray of higher education had seldom reached before.

This newly established college has successfully passed through eleven years' experience of imparting education in this rural based locality where the ray of higher education had seldom reached before. The **Bhaumik Family** of Amdabad was instrumental in founding this institute through their generous sacrifice, nobility and all-out devotion to achieve this goal. Especially it is gloriously mentioned that Dr. Anindya Kisor Bhaumik, retired Principal, youngest son of Swarnamoyee and Jogendranath Bhaumik has established this college in revered memory of his parents in constant cooperation of his elder brothers and sisters. Among those notable contributors are the eldest son of Swarnamoyee and Jogendranath, Mr. Amulyaratan Bhaumik, a former headmaster, social worker and freedom fighter, the second son Dr. Prabodh Kumar Bhaumik, the former head of the Department of Anthropology, University of Calcutta, the third son Subodh Kumar Bhowmik, retired headmaster, the second daughter Smt. Renuka Jana, a retired headmistress and their son and daughter. In addition to the invaluable donations, bounties and multiple assistances from neighbouring nobilities are highly appreciated. It is worthy to mention that Late Jogendranath, a great educationist, an immensely broad-hearted man, a social worker of great repute, led the way to spread education in backward rural areas through establishing as many as fourteen schools including the well-known Amdabad High School originated during the *British Rules*. To commemorate his memory and of his wife Swarnamoyee, an ideal woman, a kind-hearted affectionate mother, who was the source of inspirations to all such benevolent activities, this college has been set up with also a special view to enlighten this rural territory which has otherwise fallen back far behind in today's progress and advancement of learning.

LOCATION

The site of the college has a charming view of lush green fields and is located amidst a luxuriant landscape. While the college is currently functioning from its temporary building, a sanctioned magnificent building with picturesque views is already under construction. It will come up right next to a metalled road passing through green crop fields, amidst enchanting views of nature in a serene environment. Far from the madding crowd, the ambience of the college resembles that of 'Shantiniketan'. The college is well connected to the neighbouring towns of Henria, Chandipur, Contai, Digha, Haldia, Tamluk and Kolkata.

VISION

Our vision is to develop into an institution with an impeccable reputation of providing quality higher education to the underprivileged youth of rural Bengal. By incorporating the vision of **NEP 2020**, we not only aim to create good students, but also competent professionals and independent individuals who would inspire the future generations. In addition, we are committed to inculcating indigenous values and ethos among learners, which serve to develop students into complete human beings.

MISSION

Our mission is to encourage the students in general to manifest their latent talents and ideas -

- To make quality higher education accessible to all, irrespective of their socio-economic status.
- To provide new and innovative forms of learning at par with the global academic scenario.
- To encourage the students to pursue higher education and research in their respective fields.
- To motivate the students in general to manifest their latent talents and ideas, and inculcate ideal habits, a love for learning, and human values.
- To help the students of the locality grow into responsible citizens of India in the future.
- To empower students to cope with the challenges of practical life by providing them with a holistic education
- To initiate vocational education to enhance employability

RECOGNITION, AFFILIATION & NAAC ACCREDITATION:

The institution is recognized by the Department of Higher Education, Govt. of West Bengal Vide memo no. 772(2)-Edn(CS)/4C-142/13, dt.16.09.2014, on the basis of which Vidyasagar University also extended the temporary affiliation by its memo no. VU/R/7EC-29/Affi./136/2015 dt. 30.01.2015 and **permanent affiliation** has been granted by its memo no. VU/IC/SJM/110/2024, dt. 18.04.2024, after being recognized under section 2(f) by UGC, Govt. of India, bearing file no. 8-240/2022(CPP-1/C), dt.30.01.2024 for conducting different **Undergraduate programmes**. The college has been accredited by NAAC (National Assessment & Accreditation Council) with Grade 'B' (Cycle-I, CGPA-2.47) on 29th November, 2024.

MESSAGE FROM THE FOUNDER

“Education is the most powerful weapon which you can use to change the world”

– Nelson Mandela

All of us aspire to be successful in life and success comes in various forms. But the common element to success is education. Sadly, not everyone has the privilege to access to the right education. We are committed to remove that barrier and bring higher education to the local community. We believe, this can bring right changes in the society and can help the youngsters in making their future, empowering their community and make a positive impact.

A step towards that dream was realised with the establishment of this very institution. Our goal is to expand and excel at all levels with increasing focus on research which can impact the local community, through technological innovation in agriculture, uplifting socio-economic fabric, preserving traditions, culture, and language. To this end, we are hopeful to expand by bringing agricultural, fisheries and technology education.

Remote locations such as ours often suffer from infrastructure. But we are breaking the barrier through technology by bringing the latest digital learning and teaching infrastructure that is comparable to many academic institutions across the world. Our students, although hailing from remote locations and often underprivileged, should have access to the most advanced technology and feel no inferiority at world stage. The journey has begun, and I take this opportunity to thank the members of this locality, my elders and family members, current and past staffs, and importantly the students in this endeavour.

Late Dr. Anindya Kishor Bhaumik (Founder and former President)

PRINCIPAL’S MESSAGE

“Arise, awake, and stop not till the goal is reached”

-- Swami Vivekananda

The college was established with a vision to empower the youth of the surrounding area as they lacked the opportunity to pursue higher education. Earlier, after their Higher Secondary Examination most of the underprivileged boys & girls were unable to pursue higher education in distant colleges due to poverty and lack of communication to the towns from the remote neighbouring villages. Many of the meritorious students from the neighbouring schools lagged behind due to unavailability of resources, guidance, and institutional support to enhance their

knowledge to face the world beyond their homes.

Though the college is still at its nascent stage and faced several obstacles like financial constraints, we are trying our best to overcome all hurdles and advance far ahead with the sole objective of providing quality education to the youth and make responsible citizens and successful professionals out of our eager young students.

The ultimate mission of the college is to provide holistic education that not only contribute to the students’ professional success, but also boost their confidence and develop their personalities, to enhance their creativity and to inculcate moral and ethical values in them. We endeavour our best to create an atmosphere that is conducive to learning, thus making this institution a successful establishment for bringing about real social change.

Dr. Ratan Kumar Samanta (Principal)

ACADEMICS

We offer honours degrees in six subjects and general degrees in thirteen subjects. Subject combinations are available according to university guideline and details are given on the college website.

Subject Combination for CCFUP, 2023-24

(As per New Education Policy – 2020)

Programmes Offered (Single Major): Bengali, English, Sanskrit, Education, Sociology, Geography
(CCFUP:Curriculum and Credit Framework for Undergraduate Programme)

Subject Combination for Arts

B.A. Single Major Programme (Honours Degree)

[Four Years Programme]

Programmes	Subject Combination for Single Minor: Any One Group is to be Chosen (Either Group-1 or Group-2 or Group-3)		
	Group-1	Group-2	Group-3
Bengali Honours	1) Sanskrit, Philosophy	2) Sociology, Political Science	3) Sanskrit, Education
English Honours	1) Bengali, Philosophy	2) History, Philosophy	3) Bengali, Sociology
Education Honours	1) History, Philosophy	2) History, Political Science	3) Bengali, Sociology
Sanskrit Honours	1) Bengali, Education	2) Bengali, Philosophy,	3) History, Philosophy
Sociology Honours	1) Sanskrit, Education	2) History, Political Science	3) Education, Philosophy

B.A. Multidisciplinary Programme (Bachelor Degree)

(Humanities)

[Three Years Programme]

Group	Major- I	Major-II	Minor
Group: A	Education	Bengali	Philosophy
Group: B	Physical Education	Bengali	Education

RULES AND REGULATIONS

ADMISSION

Admission to the 1st year Degree Course begins after publication of the results of the Higher Secondary Examination. The exact date for admission is announced through notice on the college Notice Board and college website: <https://sjmahavidyalaya.in/>. For admission candidates are to login in centralized admission portal of the W.B. Govt.(<https://wbcap.in>).

A student who is admitted to the 1st semester of studies but does not attend any class for 15 consecutive days from the date of commencement of the classes may not be allowed to attend further classes and his/her seat may be declared vacant.

ATTENDANCE

It is obligatory on the part of the students to attend classes regularly and punctually. Wilful absence from the class-room lecture will be treated as a serious infringement of college discipline. As a rule, each student is required to attend minimum 75% of the total lectures delivered in each subject in an academic session as per Vidyasagar University rules.

IDENTITY CARD

After admission a student is required to get an identity Card signed by the principal of the college. The identity Card is a proof of his/her status as a student at this college. The possession of identity Card on the student's person during college hours is mandatory.

DRESS CODE

For boys: sky blue shirt with black trousers.

For girls: white *saree* with blue border or sky blue *Kameez* (top) and white *Salwar* (lower/bottom).

RULES OF DISCIPLINE

The college expects its students to conduct themselves in a disciplined and dignified manner in the college premises and outside. For this some provisions are as follows:

- a) Students shall obey any order issued by the University or by the Principal of the college.
- b) Students shall conduct themselves in a gentle manner both towards the members of the staff and fellow students.
- c) Students shall maintain perfect silence in classrooms and library room and desist from demonstration or disorderly behaviour. They must not loiter in the corridors or in front of the classrooms or office rooms or library rooms and must keep as quiet as possible during the college hours.
- d) Students shall not misappropriate, destroy, mutilate, disfigure, or damage any college or university property, in particular library books, furniture, apparatus etc.
- e) No student suffering from any contagious or infectious disease will be permitted to attend the college.

For a break of discipline within or outside the premises of the college, the Principal of the college may:

- a) impose a fine on a student and or
- b) suspend the student for a definite period or
- c) expel him/her from the college for such a period as deems it fit.

The Principal may ask a student to leave the college if he considers such action is necessary in the interest of the institution or may bring such matters of grave nature to the Governing Body for a decision without assigning any reason for that.

FACILITIES AND RESOURCES

LIBRARY

The college has a well-furnished library with 5630 books of different subjects for helping the students. The books are mostly course books/subject oriented books which provide enough opportunity with the students for reading. Those students who are unable to purchase books due to financial constraints may borrow these for their studies. The library catalogue has also been digitized for the benefit of the students and the staff.

SPORTS FACILITIES

The college provides facilities for indoor as well as outdoor games to its students. Students regularly practice in the playground under the supervision of the teacher of Physical Education. Students successfully compete in Inter College Sports Meets and Inter College Football tournaments. The Annual sports competition helps recognize the most talented sports prospects of the college.

CULTURAL ACTIVITIES

Cultural competitions and events take place in the college at different times of the year. Some of the major events are Nabinbaran, Annual Cultural Programme, Saraswati Puja, Rakhibandhan, publication of wall magazine, etc.

Students of this college also participate in debates, symposia, music, painting, recitation, clay modelling etc. in the inter college cultural competition at the university.

CANTEEN

The college has a canteen in the college campus to provide snacks and wholesome meals at a reasonable rate.

NSS

The college has introduced the NSS unit to train the students and boost their physical and mental health. Various personality development and several social service(outreach/extension) programmes are held under the supervision of the NSS Programme Officer and staff of the college to ensure active participation of the students throughout the year. The NSS volunteers participate in different extra-curricular activities such as blood donation camps, tree plantation drives, thalassemia test and awareness drives etc.

MAGAZINE

Different departments publish a wall magazine annually to encourage the blooming writers of the college. The department of Bengali publishes 'Srijoni'; English publishes 'Rolling Stone'; Geography publishes 'Blue Planet'; Sociology publishes 'Dishari'; Department of Sanskrit publishes 'Mandakranta' and Education publishes 'Anandadhara'. Besides this the College Magazine 'Ankuran' is also published biannually.

ADD-ON / VALUE- ADDED COURSES, SEMINAR, WORKSHOP& CONFERENCE

Various departments of the college offer workshops and Add-On/Value-Added Courses for the holistic development of the students. Seminars and conferences are also organized by the departments to ensure student engagement in academic activities beyond the set curriculum of their respective disciplines. This also promotes teamwork and collaboration among students that will be beneficial for them in their future careers.

EXCURSION & FIELD TRIP

Different departments of this college organize educational excursions for the students. Compulsory departmental field study is held regularly as per university syllabus.

STUDENTS' FEES CONCESSION

The college provides concession on tuition fees to the underprivileged students.

SCHOLARSHIPS & STIPENDS

Eligible students get different scholarships/stipends regularly like Swami Vivekananda Merit-cum-Means scholarship, Kanyashree, Aikyashree, OASIS from Govt. of West Bengal, National Scholarship and Scholarship from Sitaram Jindal Foundation Trust.

WI-FI ENABLED COLLEGE CAMPUS

The college provides free and high speed Wi-Fi facility to all staff & students within the campus.

ALUMNI

The college has a registered alumni association which regularly contributes to various cultural activities, organizes outreach programmes and community service.

LIBRARY BEST USER AWARD

To encourage students to read and spend time in the library, the college library awards the top three library users among students every year.

AWARD FOR ACADEMIC EXCELLENCE

Awards are presented to the students who score the highest in their department in the University examinations each year.
